

INFORMATION DISCLOSURE STATEMENT

Title of Application: Dragless Flight Control System for Flying Objects

Inventor: Daniel F. Lawless

AMPC Number: 5054

Applicant is aware of no information which, in his opinion, is material to patentability of the invention described in the application and which is not cumulative to information already of record, if any, in the application and which further establishes, by itself or in combination with other information, a *prima facie* case of unpatentability of a claim.
